### Cops for Cancer

Cops for Cancer is an exciting annual event that takes place each fall, when over a hundred law enforcement and emergency services personnel from across the province brave all types of weather as they cycle up to two weeks across the daunting terrain of Vancouver Island, Northern BC, the coast of British Columbia and the Fraser Valley.

Why? Because the impact of cancer on the life of a child and their family is devastating. Donations made to the Canadian Cancer Society through Cops for Cancer are used to fund life-saving

research and caring support programs to reduce its impact.

Tickets for this fundraiser can be purchased at either of our branches.

Take a few minutes to see these amazing videos made by Canadian Cancer Society;
